**Please note:** the Social Community must be enabled before the following features are available to your users - [click here](#) for more information

### My Community

1. **Members** - this section displays 20 random member photos which can be clicked to view the member's profile
  - The "view all members" link will display the member directory when clicked
2. **Recent Activities** - this section displays the most recent member activity such as new connections, new photos, comments, and new/updated circles
  - A user can choose to view activity for all members ("show all") or themselves and their connections only ("me & connections")
3. **Latest Circles** - this section displays the newest circle (top portion) along with thumbnails of other recent circles
  - Clicking on any circle will bring users to that circle's page
4. **New Photos** - this section displays the most recently added photos
5. **Who's Online** - this section displays the users that are currently online

## Connections

This section displays all of the user's current connections and allows them to view profiles, write messages, search, and view connection requests they've sent and that require their approval.

1. **Search** - users are able to search for others using the basic "search" or "advanced search"
2. **Requests sent** - users can view who they've sent connection requests to (that are still pending) and remove/cancel them if they wish
3. **Pending my approval** - new connection requests from others can be viewed and approved or declined
4. **View profile** - click on the user's name or photo to view their full profile
5. **Connections** - view other users' connections
6. **Write Message** - create and send a private message to any connection

## Comments

Ashley Wollam  
International  
Leadership  
Association

Is it possible to change the default profile photo? I'd like to replace the green fellow with our logo.

Apr-26 2011 08:07.

Gregory Foreman  
MemberClicks

Hi Ashley - at the moment there is not a way to set a default avatar/photo on the search results template... however, it is an enhancement coming in the next week or so.

Apr-26 2011 09:44.

Ashley Wollam  
International  
Leadership  
Association

Thanks Gregory. Ahead of us, per usual. :-)

Admission  
Counseling

Do you have instructions or a synopsis piece already drawn up that we can send to end users via the listserv informing them about this change?

Jun-06 2011 07:39.
